**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to keep doing what American business was built on, Competition. We the small rural communities need more than just one choice. Some want mega companies and some of us want the tightness of local owned business. Say NO to price hikes that will increase the cost of internet and telephone services.
